

2025 MWCC and Winnet ACES Watershed Symposium Sponsorship & Marketing Opportunities

The Montana Watershed Coordination Council (MWCC) is inviting partners and sponsors to help **uplift Montana's watershed community by contributing to the 2025 MWCC Watershed Symposium, co-hosted with the Winnet ACES.**

This year's September 16-19 event will be based out of Billings, MT, with a full-day workshop and tour to Winnett, Montana. There, the Winnett ACES will show off ways they *listen to and provide opportunities for their community*, like the new Petroleum County Community Center! For the first time since 2018, we are excited to invite participants and sponsors to join us in person for three days of learning, networking, and collaborating.

So join us! Partners and sponsors make our showcase biennial event accessible for attendees by providing scholarships to select participants, providing bountiful food and drink, and helping support the venue, travel, and our presenting speakers. All of our supporters will be recognized throughout the event, in our publications, in online media, and during all relevant symposium communications. And this year's sponsors have ample time and space to table and connect with attendees.

Help us achieve our mission as we work to connect land and water conservation partners throughout Montana, while providing inspiration and learning opportunities to Montana's conservation and community leaders.

SPONSORSHIP LEVELS

(\$5,000) – Watershed sponsors are prominently recognized by logo on all symposium materials, announcements, the MWCC website, and verbal recognition at the event. AND Watershed sponsors receive **two free registrations** and event tabling space.

(\$2,500) – River sponsors are recognized by logo on all symposium materials, announcements, and the MWCC website. AND River sponsors receive **one free registration** and event tabling space.

(\$1,200) – Tributary sponsors are recognized by name on all symposium materials, announcements, and the MWCC website. AND River sponsors receive free tabling space.

(\$500) – Break Sponsors are recognized by their name on the MWCC website and during a special announcement of the sponsored break, as well as a free tabling space.

(\$350) – Tabling Option includes an 8ft table to show off your work while in Billings and includes **one free registration**.

(Varies) – *Scholarship sponsorship is an add-on to one of the above levels and will be recognized at the event

Opportunities to sponsor event swag, meals, or other specific items are available. [Register here](#) or for more information, please contact Amy at director@mtwatersheds.org, Kierra at kierra@mtwatersheds.org, OR (406) 475-1420.

MWCC's mission is to unite and support Montana's watershed communities to promote healthy and productive landscapes.
